1. INTRODUCTION

“Virement” is “a Regulated transfer or re-allocation of money from one account to another, especially public funds. A Virement represents a flexible mechanism to effect budgetary amendments within a municipal financial year. Changing circumstances and priorities during a financial period may give rise to a Need to virement (transfer) funds within or between approved Votes, as defined In the Municipal Finance Management Act 56 of 2003 (MFMA). The treatment of such instances may, however, be dependent on whether an adjustment Budget is required or not.

2. PURPOSE

- (a) The Chief Financial Officer has a statutory duty to ensure that adequate policies and procedures are in place to ensure an effective system of financial control. A Municipality’s virement policy and its underlying administrative process within the system of delegation is one of these controls.
- (b) Section 81(1) (d) of the MFMA states inter alia that “The chief financial officer of a municipality...must advise senior managers and other senior officials in the exercise of powers and duties assigned to them in terms of section 78 or Delegated to them in terms of section 79,”
- (c) It is the responsibility of each Director of each Directorate to which funds are allocated, to plan and conduct assigned operations so as not to expend more funds than budgeted and to ensure that funds are utilized effectively and Efficiently.
- (d) Section 78(1)(b) of the MFMA states inter alia that “Each senior manager of a Municipality and each official of a municipality exercising financial management responsibilities must take all reasonable steps within their respective areas of responsibility to ensure... (b) that the financial and other resources of the Municipality are utilized effectively, efficiently, economically and transparently,”
- (e) This policy aims to provide guidelines to senior management in the use of Virement as a mechanism in their day-to-day management of their budgets. In addition it specifically aims to empower senior managers with an efficient Financial – and budgetary system to ensure optimum service delivery within the current legislative framework of the MFMA and the Council’s system of Delegations.

3. DEFINITIONS

“**Accounting Officer**” (MFMA)- in relation to a municipality, means the municipal official referred to in Section 60, or ...”

“**Approved Budget** (MFMA)”-means an annual budget- Approved by a municipal council, or approved by a provincial or the national executive following an intervention in Terms of section 139 of the Constitution, and includes such an annual budget as Revised by an adjustments budget in terms of section 28;”

“**Chief Financial Officer**” (MFMA) - a person designated in terms of section 80(2)(a)”

“**Cost Centre**” - Cost centre is a cost collector which represents a logical point at which cost (expenditure) is collected and managed by a responsible cost centre owner.

“COST ELEMENT” - Cost elements distinguish between primary and secondary costs elements. Primary costs elements are expenditure items mainly generated outside the organization. Secondary cost elements are utilized to relocate cost by means of assessments, internal billing or activity based recoveries.

“EXECUTIVE DIRECTOR” - Section 56 of the Systems Act states inter alia that: “Appointment of managers directly accountable to municipal manager – (a) a municipal Council, after consultation with the municipal manger, appoints a manager Directly accountable to the manager”.

“FINANCIAL YEAR” - the 12 month period between 1 July and 30 June.

“VOTE” (MFMA) - (a) one of the main segments into which a budget of a municipality is divided for the appropriation of money for the different departments or function arrears of the municipality. The council then approves, the budget according to these vote via resolution e.g. Water Management, Director: Public Safety.

“VIREMENT” - the process of transferring an approved budgetary provision form one operating cost element or capital project to another within a vote during a municipal financial year and which results from changed circumstances from that which prevailed at the time of the previous budget adoption.

4. MFMA REGULATION ON BUDGET VERSUS EXPENDITURE

- (1) The MFMA regulates as follows regarding the incurring of expenditure against budgetary provisions.
- (2) Section 15 – Appropriation of funds for expenditure “A municipality may, except where otherwise provided in this Act, incur expenditure only –
 - (a) In terms of an approved budget; and
 - (b) Within the limits of the amounts appropriated for the different votes in an approved budget.”
 - (c) Unauthorized Expenditure (MFMA Definition) “In relation to a municipality, means any expenditure incurred by a municipality otherwise than in accordance with section 15 or 11 93), and includes –
 - (i) overspending of the total amount appropriated in the municipality’s approved budget;
 - (ii) overspending of the total amount appropriated for the vote in the approved budget;
 - (iii) Expenditure from a vote unrelated to the department or functional area covered by the vote;
 - (iv) expenditure of money appropriated for a specific purpose, other than for that specific purpose;
