

SERVICE DELIVERY CHARTER 2015 - 2016

GREATER GIYANI MUNICIPALITY

SERVICE DELIVERY CHARTER FOR GREATER GIYANI MUNICIPALITY

LEGISLATIVE FRAMEWORK

A service Delivery Charter is a statement of commitment that Greater Giyani Municipality makes towards service delivery and it is derived from the following pieces of legislations:

- South African Constitution Act No 108 of 1996
- The Promotion of Administrative Justice Act No 3, of 2000
- The Promotion of Access of Information Act No, 2 of 2000
- The Public Service Regulations of 2001
- Municipal Systems Act
- Bathopele Handbook

PURPOSE OF THE CHARTER

The main purpose of this service delivery charter is to improve awareness of the availability and quality of the services offered by the municipality.

The charter also provides guidance to the service beneficiaries to claim their existing rights. Service charter stipulates the level and quality of services to be provided including the introduction of new services to previously marginalized services to beneficiaries who were denied accesses to information and services.

1. BACKGROUND

We are Greater Giyani Municipality, a local municipality within the Mopani District Municipality in the Limpopo Province of the Republic of South Africa. We are found at the following offices

- (a) Civic Center Giyani Main Road ;Private Bag X9559 Giyani 0826; Tel : 015 811 5500; Fax : 015 812 2068; E – mail : info@greatergiyani.gov.za
Our office hours are 7H00 to 16H00 during week days only.

2. OUR VISION

A Municipality where environmental sustainability, tourism and agriculture thrive for economic growth

3. OUR MISSION

A democratic and accountable Municipality that ensures the provision of services through sound environmental management practices, local economic development and community participation

4. OUR OBJECTIVES

Our objectives are grounded in section 152 of the Constitution of the Republic of South Africa Act 109 of 1996 as follows:

- (a) To provide democratic and accountable government for local communities;
- (b) To ensure the provision of services to communities in a sustainable manner;
- (c) To promote social and economic development;
- (d) To promote a safe and healthy environment; and
- (e) To encourage the involvement of communities and community organizations in the matters of local government.

4. OUR ORGANIZATIONAL STRUCTURE

To best render services to our customers we have organized ourselves into six administrative departments as follows :

- (a) The Department of Municipal Manager
- (b) The Department of Corporate Services
- (c) The Department of Community Services
- (d) The Department of Technical Services
- (e) The Department of Budget and Treasury; and
- (f) The Department of Strategic Planning and LED

Politically, the Department of the Municipal Manager accounts to the Executive Committee while each of the other five departments account to a portfolio committee.

5. BATHO PELE PRINCIPLES

Our services are based on the principles of Batho Pele and we shall fulfill these principles by

5.1 Consultation

- (a) Once a year we shall consult with all our stakeholders, through public meetings, on the nature, quantity and quality of the services provided and to be provided in the ensuing year
- (b) We shall at all times have questionnaires at our main office and other public offices to enable our customers to continuously evaluate our services
- (c) Our consultation methods shall consider the geographical location of citizens; language; fear of authority and living standards
- (d) Results of our consultation shall be made public through our own publications and independent local publications and shall be published extensively within the Council and Administration for all staff and councilors to be aware of how our services are perceived.

5.2 Service Standards

- (a) A minimum of 1,000 copies of our Service Delivery Charter shall be distributed proportionately to all our stakeholders by August each year.
- (b) The Service Delivery Charter shall further be published throughout the year on our website.

- (c) Copies of the Service Delivery Charter and Standards shall be made available at all our Ten traditional authority offices of Dzumeri, Makhuvha, Mahumani, Ndengeza, Hlaneki, Mabunda, Shiviti, Homu, Nkuri, Msengi, Greater Giyani Municipal Offices, Public Library and Thusong Service Centre.

5.3 Access

- (a) All our offices are marked, i.e. offices are identified by the positions of their occupants and Office Numbers.
- (b) All our buildings are accessible for the physically challenged people who use wheel chairs.

5.4 Courtesy

- (a) Citizens shall be treated with courtesy and consideration at all times.
- (b) Once in every two years we shall conduct a public opinion survey to establish if our services are helpful and provided with courtesy and consideration for the dignity of customers.

5.5 Information

- (a) We shall at all times give full and accurate information to citizens about the public services they are entitled to receive.
- (b) We shall ensure that service is readily available at all times in line with our service standards and that whenever there are disruptions our customers will be informed of the reasons
- (c) We shall at all times, where possible, use the language the intended audience understand.

5.6 Openness and Transparency

- (a) We shall ensure that our Promotion of Access to Information Manual allows access to information particularly on the management of the institution and how much it costs to run the Council and the Administration of the Municipality.
- (b) Our IDP and Budget processes are open to the public save in the legally excepted instances.

5.7 Redress

- (a) We have complaints/suggestion boxes at our front desks of the main and Traffic Station and a Batho Pele Committee that meets monthly to track redress on customer raised complaints.
- (b) Where services are not rendered or are not rendered according to customers' expectation written apology is tendered within two working days.
- (c) Verbal complaints are responded to within two working days.
- (d) Investigation of services delivery complaints is finalized within thirty days.
- (e) The right of a client to a second opinion is respected and the client is referred to the relevant services within a day.

- (f) Progress relating to the full investigation of a complaint lodged by a client is communicated to him within fourteen days.

5.8 Value for Money

- (a) We have policies that are tailor made to attain cost efficiency in our service provision.

6. CORPORATE SERVICES

- (b) Disaster Management
- (c) Internal Audit
- (d) Performance Management
- (e) Risk Management
- (f) Support of the Office of the Mayor

10.1 Communications

The Communication Policy is reviewed when necessary while the Communication Strategy is reviewed annually.

10.1.1 Publications

- (a) A Municipal external newsletter (Greater Giyani News) is published once per quarter and distributed as per the Greater Giyani News Distribution Strategy which is revised annually.
- (b) An annual report is published at the end of the financial year, within 31 days of its approval by the Council.
- (c) All municipal publications are also placed on the website for public consumption.
- (d) IDP and Budget documents are published after adoption by the Council and are available upon request by stakeholders either on hard copy or electronically.

10.1.2 Media Relations

There is a Media Relations Strategy with which the Municipality seeks to establish and maintain strategic relations with the media role players so that correct and useful messages are communicated to stakeholders

(a) Media Monitoring

- (i) Newspapers are read daily in the morning.
- (ii) Compilation and circulation of media scan is done by 11am daily.
- (iii) Responses to damaging media reports are done within 48 hours.
- (iv) Media reports on the Municipality are prepared monthly and forwarded to the Corporate Services Portfolio Committee.

- (v) Complaints about inaccurate reporting is done in a written format stating the inaccurate information, the journalist responsible and the correct procedures to be followed by media when requesting information or clarity on related issues.
- (vi) Complaints are communicated to the Editor/Station Manager of the media concerned with provision of evidence on the matter.

(b) Media Enquiries

- (i) Media enquiries are responded to immediately or within an agreed timeframe with the journalist concerned so that s/he may not miss the reporting deadlines.
- (ii) In the case of issues that are not time bound and other relevant people have to be consulted, an agreement with the journalist concerned is made as to when the enquiry will be attended to.

(c) Media Releases

Media releases are issued

- (i) When capital projects are initiated and launched.
- (ii) At least once a month on progress on current capital projects.
- (iii) At least quarterly on general service delivery achievements and or challenges.
- (iv) Prior to and after every municipal public event or function.
