(NANDONI WATER TREATMENT WORKS) TO SUBMIT COMPANY DOCUMENTATION FOR
ELEGIBILITY TO PARTICIPATE AS A SUBCONTRACTOR ON CONTRACT RFP111/2025**

TENDER No. RFP111/2025/01

On behalf of The Development Bank of South Africa, and through Icon Construction (Pty) Ltd, companies who are based within a 100km radius of the Project Site (Nandoni Water Treatment Works) and who have an interest in participating in the project are required to submit company documentation demonstrating experience in the following field of construction related activities.

- In this package, a new **646m long 200mm uPVC** pipeline shall be constructed from the existing water tower towards the main gate, for local water tanker trucks to collect drinking water.
- Early completion of this pipeline is essential to restrict the movement of water tanker trucks onto the construction site.
- The domestic subcontractor appointed shall install a new **uPVC water pipe (only)** to supply water to the new gantry from the existing water tower on site.
- This pipeline is for medium to small diameter underground water reticulation pipeline and associated fittings and bends.
- The pipes and bends have already been procured by the Contractor and are already on site, the scope for the domestic subcontractor appointed will be to excavate, compact insitu bedding, place selected bedding material, lay pipe, backfill and conduct testing.
- This package requires **labour intensive** activities such as hand excavation and the appointed domestic subcontractor will have to abide by those requirements.
- This work package is scheduled to begin in **July 2026** and should be undertaken in no longer than **2 months** from date of subcontract award.

Interested candidates are required to submit under a covering letter and with reference to this E.O.I. the following documentation for review:

- 1) A valid and active Tax Compliance status Pin issued by SARS.
- 2) Submission of National Treasury Central Supplier Database (CSD) Summary Report.
