RUNGULA RA KHSIMUSI KU SUKA KA MEYARA

Xewani

Hi mina Cllr Thandi Zitha, meyara wa masipala wa Giyani. Ndzi rhandza ku teka nkarhi lowu ndzi mi navelela khsimusi lerinene na ku hela ka lembe loko saseka.

Lowu I nkarhi wa ku hlangana ka mindyangu, maxaka na vanghana va tiphina swin'we endzhaku ka migingiriko hinkwayo ya lembe. I nkarhi wa ntsako no tlangela tani hi mindyangu na vaaka tiko hi ku angarhela.

Loko ndza ha mi navelela khsimusi lerinene, ndzi pfumeleleni ndzi mi tlherisela nyana endzhaku hi ku kombisa yin'wana ya migingiriko leyi hi tibaka xifuva hi yona swinene.

Mi ta tsundzuka leswaku swi na malembe ya ku hlaya ku ri karhi ku vulavuriwa hi rhavi ra khamphasi leyintshwa ya yunivhesiti ya TUT leyi nga ta pfula a Giyani. Ndzi mi tivisa leswaku leyi, a ya ha ri milorho, kambe I makungu lama tiyeke. Rhavi ra TUT a Giyani ri ta pfula hi nkarhi lowu nga hetiku mbilu.

Tani hi masipala hi vanyiketile ximfumo na vun'wini bya misava. Leswi swi vula swo tala hi tlhelo ra nhluvukiso eka doroba ra hina na

masipala hi ku a nga rhela. Hi ta vona mabindzu manyuka, vana va hina va ta kuma mintirho na I khonomi ya Giyani yi ta tlakuka swinene. Loko na ha ri kwalaho ndzi rhandza ku teka nkarhi lowu ku tlangela xiviko xa n'wa tinkota lexi kombisaka leswaku masipala wa hina wu tlhele wu kuma xiyimo xa "unqualified audit" leswi na swona swi beriwa mandla. Loko ndzi ri karhi ndzi gimeta, ndzi rhandza ku hlohlotela vanhu hinkwavo lava vuyaka ka tiholodeyi ku ti hlayisa. Mi nga nwi switswotswi mi tlhela michayela. Xiximani swikoweta hinkwaswo swa le magondzweni hi minkarhi hinkwayo.

Mi lehiselana timbilu loko mi ri karhi mi chayela. Tani hi ntolovelolo, hi langutele ntlimbano lowukulu wa swipandza mananga hi nkarhi lowu, ngopfu ngopfu ka gondzo ra hina ra R81.

Hambi swiritano hi ta tiyisisa leswaku maphorisa ya hina ya le magondzweni ya kona ku lawula xiyimo hi minkarhi hinkwayo. Ndzi mi navelela khsimusi lerinene na ku hela ka lembe loko xonga. Ndzi ri tsakani mi tiphina no hlayiseka tiholodeyi leti. Ku kondza hi hlangana lembe leri taka.

Meyara: Cllr Thandi Zitha.

MERRY
Christmas
& HAPPY NEW YEAR

FROM THE MUNICIPAL MANAGER'S DESK

Greetings of the season to everyone of our newsletter's readers and followers. This edition comes as we have just emerged from our annual strategic planning session, which will serve as a roadmap for the future scope of our intended service offering.

Additionally, I will use this occasion to update the Greater Giyani Community on the status and progress of some of our major service delivery projects and initiatives across the community.

In the storm water management and road maintenance projects targeting Giyani Section E and F, we have made significant progress. As you may remember, we began these extensive repair work in Sections A and D1 in the previous financial year and we continue with these massive maintenance projects aimed at revitalizing our roads in the township in Section E and F.

I'm pleased to report that both Section E and Section F's targeted roads have had all necessary road work completed.

In addition to road upkeep, Section F is working on a project to reduce flooding during periods of high precipitation. This stormwater management project's focus is on stream trimming, where we hope to try and regulate the flow of water into neighbouring streams to minimise flooding into homes. This will be finalised by end of January 2025.

While the Mageva culvert bridge construction is in its final stages of completion, we have completed building the culvert bridges at Phikela, Shikhumba, and Mninginisi.

During rainy seasons, these culvert bridges are designed to facilitate movement both within and between villages during rainy seasons. We have completed the construction of a V-drain at Giyani section A, In order to facilitate water flow from the recently rehabilitated roads and extend their lifespan.

We have completed the extension of the storm water drainage system in Siyandhani village, which also aims to reduce flooding in homes during the rainy season. I am pleased to report that internal roadway paving projects are progressing well at both Shawela, Hlomela and N'wa Mankena villages. My sincere gratitude to those communities for ensuring that there are no disruptions in these key community uplifting projects. Other street paving projects that are at planning stage include Maphata, Babangu and Section E.

We are also working on the following projects: Mageva Sports Centre, Section A tennis courts (TP Khuvutlu), Section E Sports Centre and Gawula Sports centre, these are still at design stage and further information will be provided in future editions of this newsletter.

In our previous copy of the newsletter, I made mention of the fact that the municipality was in the process to transfer land ownership of Giyani College to Tshwane University of Technology as a donation for the establishment of TUT Giyani Campus. I am pleased to formally inform you that Giyani College is now registered under TUT. As we eagerly await the campus's official launch we will continue to offer them support.

It is important to note that the Auditor General of South Africa (AGSA) has just completed the audit for 2023/2024 Financial year and has issued an unqualified audit opinion for Greater Giyani Municipality. Although the Municipality received the same conclusion in the previous audit, improvements were noted in numerous areas positioning the municipality in a better place to achieve its clean audit objectives.

This year's Unqualified Audit Report differs from the previous one in terms of areas of improvement which include Audit of Performance Information, Procurement, Contract and Unauthorised expenditure. The Municipality is currently putting together a comprehensive plan to address every concern raised by AGSA during 2023/24 audit period. The fact that we missed the clean audit opinion by a whisker, is a great motivation for us. We shall keep up our diligent efforts and address all discrepancies flagged by the Auditor General.

Till we meet again, enjoy your Christmas edition. May we all take care of our loved ones and share the little we have with those without, Merry Xmas.

Mr Vusi Khoza: Municipal Manager

RITO

EDITOR'S NOTE

PAGE
04

We are happy to bring you the Christmas edition of your informative Rito Newsletter. This Newsletter remains one of the most important tools of communication through which the municipality informs the community about all service delivery related achievements and challenges.

It is a communication mode that ensures continuous cooperation and proper interaction between the municipality and the people.

We use it to bridge the gap between government and the public. In the previous edition, we covered a range of issues including the Deputy President's visit to monitor water projects in Giyani, and similar visit by the Limpopo Premier as well as the much anticipated opening of Tshwane University of Technology campus at the then Giyani College of Education facilities.

We announced the arrival of the Auditor General of South Africa (AGSA) in the municipality. By the time we publish this newsletter, the auditors would have been concluded their work. Hopefully, the results would be available on time for us to publish.

In this edition, we intend to give you at least a glimpse of what the Auditor General's finding is, concerning our municipality. We will also give you the latest on several projects currently underway as well as those projects marred by challenges, with Mageva and Section E sport centres as example. We will also cover the mayor's Christmas message and best wishes for the new year. These and other related issues are expected to inform, educate, and take you onboard these high speed service delivery train.

Once again thank you for being a loyal reader and follower of Rito Newsletter. As always, we welcome all your progressive criticism.

Merry Christmas and a happy new year.
Till we meet again....cheers

Steve Mavunda, Communication Head

GGM HOLDS URGENT SPECIAL COUNCIL MEETING

Greater Giyani Municipality has recently convened an urgent special council meeting to amongst others, extend the Acting period for Mr Mahani Thembanani to continue acting as Technical Director for a period not exceeding three months. This, whilst processes to appoint a full time incumbent continues to unfold.

Meanwhile, as per presentation by the head of Corporate Services Cllr Reginah Nghunyule Mabunda, the special council also appointed Mr Nkuna Nathaniel to act as the Director for Planning and LED to fill in the soon to be vacant position of the Director for Planning and LED. This appointment takes effect from the 01st of January 2025. Council also approved the implementation

of the upper limits and benefits for council members, back dating it to the 01st of July 2024 in accordance to the rules and regulations.

Council also adopted the government Gazette on draft standardized bylaw for township economies. The government Gazette seeks to help municipalities to develop standard draft bylaw for township or rural economies.

Finally, council approved the replacement of the following members of council namely Cllr Kobane GE who was replaced by Cllr Chaka TP of the ANC and Cllr Shibambu NI was replaced by Cllr Masingi JS from the PA. Also in attendance were the mayor

Cllr Thandi Zitha, Speaker and Chairperson of the Council, Cllr Ernest Mboweni, Chiefwhip, Cllr Thomas Makondo, EXCO Members, Chair of Chairs, Cllr Morris Shiviti, Municipal Manager, Mr Vusi Khoza, Portfolio Chairpersons, Wards and PR councillors as well as senior municipal officials.

GGM CONVENES IDP REP FORUM

PAGE
06

To setup the tone for the upcoming Integrated Development Plan public participation programme, the Greater Giyani Municipality, led by the Mayor Cllr Thandi Zitha recently convened the IDP Rep Forum at Giyani Community Hall.

The IDP Rep Forum is a meeting of key stakeholders comprising of community members, business sector, traditional leaders, various departments and municipal officials. Part of its objective is to assess and review the progress made on the implementation of the IDP to ensure that the IDP document remains relevant and responsive to the needs of the people.

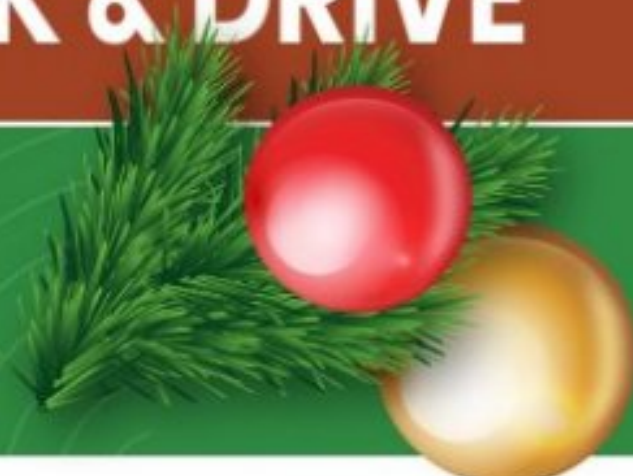

Most importantly, the IDP Rep Forum provides an opportunity for stakeholders to make inputs thereby promoting transparency, accountability and ownership of the final product. Meanwhile, community representatives in attendance sharply raised their

concerns in relation to both the IDP formation and implementation phases. In response, the mayor told stakeholders that it is within their rights to raise their dissatisfaction in relation to the IDP document. "I encourage you to take ownership of this important document which has a direct bearing on your day to day lives. That is part of the reason why we convened this meeting. To give you the right platform to reason with us and make your progressive inputs heard without fear or favour," said the mayor, adding that people need to actively participate once the IDP Public Participation Programme kickstart.

Also in attendance were the head of Planning and Local Economic Development Cllr Cedric Baloyi, Chairperson of Planning and Local Economic Development Cllr Tiyani Nkuna, Head of Health and Community Services Cllr Constance Manganyi, Municipal Manager Mr Vusi Khoza, various Ward and PR Councillors and municipal officials.

MAKE A PLAN DON'T DRINK & DRIVE

GGM MAYOR CLOSES THE STRATEGIC PLANNING SESSION

PAGE 07

After a marathon of presentations and robust discussions since day one of the Greater Giyani's three day Strategic Planning session held recently, GGM Mayor Cllr Thandi Zitha delivered the closing remarks on the last day of the Strategic planning session. She told officials and critical role players to go back and ensure that all resolutions taken during the session must be implemented as planned without failure or compromise.

"I expect every one of you here to go out there and fulfil your obligations in terms of what needs to be done to ensure timeous implementation of these resolutions as briefly summarized by the municipal manager." The resolutions also speak to the GGM's role in assisting Tshwane University of Technology to realise its goal of opening the much anticipated Giyani TUT Campus.

The mayor added that the strategic planning session document serve as a guiding tool in the municipality's day to day provision of services.

GREATER GIYANI MUNICIPALITY HOST MOPANI DISTRICT POP UP MARKET BLITZ

Greater Giyani Municipality played host to the ever growing Mopani district Pop up market blitz held recently at Giyani Civic Centre's parking lot.

The market blitz rotates around all four local municipalities with its main objective being to create conducive market space for emerging businesses specializing in various business fields. These include farming, tourism, manufacturing, and hospitality amongst others.

The event was graced by GGM Mayor Cllr Thandi Zitha who made time to visit various stalls to show her support by buying several products. She was accompanied by the municipal manager who also spent some money buying products in support of local businesses.

Speaking during the market blitz, Mayor, Cllr Thandi Zitha said that she was impressed by what she saw. "Our people are hard workers and very talented. What I saw here is a testimony that with proper support, the idea of growing township or rural economy can work."

Other dignitaries in attendance include Exco members, chairpersons of portfolio committees, ward and PR councillors as well as municipal officials from both local and district municipalities.

SPAZA SHOPS RAIDED

Following the nationwide outcry caused by several suspected foodborne diseases affecting mostly school children, the state President Mr Cyril Ramaphosa ordered that all spaza shops and general dealers' owners must reregister their businesses within 21 days as per specific requirements.

This, as part of the government's effort to cleanse the system of any irregular and non compliant businesses posing risk to the lively hood of all the consumers. This order applies to both local and foreign

owned businesses. According to the President's order, municipalities and all relevant departments must ensure that all businesses are properly registered, regulated and monitored regularly. In keeping with the order, Greater Giyani Municipality joined the team that raided several spaza shops and general dealers around Dzumeri area and the CBD.

The team that comprised of SAPS, Mopani district municipality, Greater Giyani municipality, Home Affairs and all other relevant

stakeholders discovered a loads of expired food products. Apart from the expired food products, they also discovered several undocumented foreign nationals as shop keepers.

The raids resulted in arrests of several undocumented shop keepers and closure of non compliant shops.

The raids, often referred to as blitz were led by MDM Mayoral Committee Member Cllr Basani Shibambu and GGM Executive Committee Member Cllr Constance Manganyi in their capacities as heads of community services portfolio respectively.

NHLANGANO WA VAFUNDHISI WU KONDLETELA SWIKHONGELO SWA MPFULA

ANNUAL GGM ARTS AND CULTURE HERITAGE FESTIVITIES

The annual Greater Giyani Municipality Arts and Culture Heritage festivities got up to a scintillating start with a tour to the Kruger National Park and a tourism banquet gala dinner. These, as a build up to the exciting arts and culture festival.

Through these activities, the municipality is in a move to maximise on its heritage and cultural strength to revitalise and promote local tourism in the area.

Known for its richness in arts, culture and heritage, Greater Giyani Municipality is well positioned to easily attract visitors and serve as a gateway to the neighbouring Kruger

National Park. The visit to the Kruger National Park was meant to cement working relationships between the park, the municipality, and Giyani Tourism Association to boost future business prospect and the local economy.

Head of Planning and LED, Cllr Cedric Baloyi said that the municipality has taken a cautious decision to support and promote tourism using arts, culture, and heritage as a catalyst to achieve its goals. "We have roped in experts in the field to help us as we navigate through to achieve our intended goals". He said, adding that the municipality is so proud of its rich Arts, Culture and Heritage and will use that to its full advantage.

The municipality also took an opportunity to honour Sunglen Chavalala as an artist born at Siyandhani village. She is following on the footsteps of another veteran artist known as HW Makhubele who was the 1st to be honoured last year during the same activity.

Meanwhile, the festivities were concluded with a great display of beautiful artwork, and entertaining cultural dances ranging from Sekgapa, Xincayincayi, Xigubu, Xibelana amongst others.
