1. OBJECTIVE OF THE POLICY

The policy aims to achieve the following objectives which are to:-

- (a) Provide guidelines that employees of the Municipality must follow in the management and control of inventory, including safeguarding and disposal of inventory.
- (b) Procure inventory in line with the established procurement principles contained in the Municipality's Supply Chain Management Policy.
- (c) Eliminate any potential misuse of inventory and possible theft.

2. DEFINITIONS

In this Policy, unless the context indicates otherwise, the following definitions are applied:-

"Accounting Officer" means the Municipal Manager for the Municipality as contemplated in section 60 of the Local Government: Municipal Finance Management Act, 56 of 2003

"CFO" means the Chief Financial Officer designated in terms of section 80(2)(a) of the Local Government: Municipal Finance Management Act, 56 of 2003

"Cost" shall comprise costs of purchase, costs conversion and other costs incurred in bringing the inventories to their present location and condition

"Delegated authority" means the official who is given the authority for relevant functions in terms of the municipality's written delegations;

"Good received note" means a physical document completed and captured on the system to acknowledge the receipt of goods in good condition and correct quantities

"Inventories" are assets:

In the form of material or supplies to be consumed in the production process;

In the form of materials or supplies to be consumed or distributed in the rendering of services;

Held for sale or distribution in the ordinary course of operations, or

In the process of production for sale or distribution.

"Supply Chain Manager" shall mean the person appointed as Supply Chain Manager.

"Municipality" shall mean the Greater Giyani Local Municipality

"Net Realisable" Is the estimated selling price in the ordinary course of operations less the estimated costs of completion and estimated costs necessary to make the sale exchange or distribution.

"Obsolete inventory" means items that have expired, are redundant or damaged;

"Re-order level" means the level of inventory at which inventory is re-ordered;

"Requisition form" means a written request to the Inventory Supervisor to supply specified inventory;

"Responsible manager" means the official responsible for the budget of an organizational unit in the municipality, directorate or institution;

"Store" means a place where inventory is stored and reserved for future use, or a source from which supplies may be drawn;

"Store man" means the official responsible for the requisition, receipt, issue, recording, safeguarding of inventory and cost-effective and efficient management of inventory.

3. SCOPE

(1) This policy applies to the Municipality's inventory received by the Store man/woman and issued to users.

(2) This policy specifically excludes:

- (a) Pharmaceutical inventory, livestock and
- (b) Equipment and other assets not defined as inventory.

4. LEGAL FRAMEWORK

- (1) In terms of the MFMA, the Accounting Officer for a municipality must:
 - (a) Be responsible for the effective, efficient, economical and transparent use of the resources of the municipality as per section 62 (1) (a);
 - (b) Take all reasonable steps to prevent unauthorised, irregular and fruitless and wasteful expenditure and other losses as per section 62(1) (d);
 - (c) Be responsible for the management, including the safeguarding and the maintenance of the assets, and for the management of the liabilities, of the municipality as per section 63 (1) (a) and (b).
- (2) In terms of the following paragraph of GRAP 12, inventories shall be recognized as an asset if, and only if,
 - (a) It is probable that future economic benefits or service potential associated with the item will flow to the entity, and
 - (b) The cost of the inventories can be measured reliably.

5. MEASUREMENT AT RECOGNITION

- (a) Inventories that qualify for recognition as assets shall initially be measured at cost.
- (b) Where inventories are acquired at no cost, or for nominal consideration, their costs shall be their fair value as at the date of acquisition.
- (c) Cost generally refers to the purchase price, plus non-recoverable taxes, transport costs and any other costs in bringing the inventories to their current location and condition.
- (d) Where inventory is manufactured, constructed or produced, the cost includes the cost of labour, materials and overheads used during the manufacturing process.

6. MEASUREMENT AFTER RECOGNITION

- (a) The basis of allocating cost to inventory items is the weighted average method.
- (b) Inventories shall be measured at the lower of cost and current replacement cost where they are held for:
 - (i) Distribution at no charge or for a nominal charge, or
 - (ii) Consumption in the production process of goods to be distributed at no charge or for a nominal charge.

7. RECOGNITION AS AN EXPENSE

- (a) When inventories are sold, exchanged or distributed the carrying amount of those inventories shall be recognized as an expense in the period in which the related revenue is recognized.
- (b) If there is no related revenue, the expense is recognized when the goods are distributed, or related service is rendered.
- (c) The amount of any write-down of inventories to net realizable value and all losses of inventories shall be recognized as an expense in the period the write-down or loss occurs.

- (d) The amount of any reversal of any write –down of inventories ,arising from an increase in net realizable value, shall be recognized as a reduction in the amount of inventories recognized as an expense in the period in which the reversal occurs.
- (e) Some inventories may be allocated to other assets accounts, for example, inventory used as a component of self-constructed property, plant or equipment.
- (f) Inventories allocated to other assets in this way are recognized as an expense during the useful life of that asset

8. INVENTORY PROCEDURES

The procedures for inventory must be followed to ensure that:

- (a) Inventory is safeguarded at all times;
- (b) There are accurate records of quantities on hand at all times;
- (c) Optimum inventory levels are maintained to meet the needs of users;
- (d) Only authorised issues of inventory are made to users; and
- (e) Items placed in store are secured and only used for the purpose for which they were purchased.

9. APPOINTMENT OF RESPONSIBLE OFFICIALS

- (a) The CFO must appoint, in writing, officials to perform the duties of a Store man/woman in terms of this Policy.
- (b) Adequate segregation of duties between the requisition, receipt, recording, storage and safekeeping of inventory and the management and control thereof must be maintained to avoid the potential occurrence of errors and fraud.

10. ORDERING OF INVENTORY

- (a) Due diligence and care shall be exercised in identifying low value and high value items of inventory.
- (b) Minimum inventory level of high value items shall be ordered, any maximum order shall be based on specific requirement/need in order to avoid large amount of cash tied up in inventory.
- (c) A re-order listing should be printed by the Store man and reviewed weekly by the Supply Chain Manager.
- (d) A copy of the purchase order form will then be forwarded by the procurement department to the receiving department, for the receiving Store man to match the goods received against the order once goods are delivered.
- (e) Orders must thereafter be filed in date sequence.
- (f) This file must form the basis for follow up of orders and for matching goods that are delivered to inventory department.
- (g) The orders file should be reviewed weekly by the Stores Manager and any orders, which have not been delivered as per the agreement with the buyer, must be followed up immediately.

11. RECEIPT OF INVENTORY

- (1) The quantity and quality of the inventory received from suppliers must be according to specifications and information on the order form.
- (2) The Store man must compare the delivery note to the purchase order before accepting the goods.

- (3) The invoice or delivery note must match the supplier name and order number.
- (4) The Store man must create an electronic Goods Received Note on the system to record all the inventory items delivered in good condition.
- (5) The Store man must ensure that:
 - (a) All delivery notes and or invoices are signed by him/her and the driver;
 - (b) All incorrect delivery items are rejected and clearly identified on both copies of the delivery note and or invoice; and
 - (c) The supplier signs all amendments.
- (6) The inventory received must then be transferred to the secured store by the general worker.
- (7) The inventories must be stored in their respective sections once they have been received as detailed in
- (8) The inventory record/register/database or system must be updated on the day the goods are received, by the Store Keeper/Buyer and authorized on the system by the Senior Store Keeper/Buyer.
